Hello Friends & Family:

You are receiving this special invitation for a very auspicious occasion. The pleasure of your company is requested as the Peele & Lassiter families prepare to celebrate the 55th edition of their family reunion. The year 2019 will represent the 55th consecutive year we have honored the tradition of the family reunion. To that end, we will commemorate the milestone with a cruise! We have decided to extend the invitation to all of our family and friends.
