T-Shirts Are Back for 2014!

We have selected a vendor to design and produce our 2014 Golden Anniversary Commemorative Reunion T-shirts, and they are awesome.

The redesigned T-shirts illustrate our commitment to family and heritage with a fresh new look and feel. The image perfectly embodies our family motto with both words and images.

We are all descendants of Ned & Fannie Peele, so now you can personalize your T-shirt by having your generation proudly displayed on the back in a jersey style.
